

RFNS, SENIOR SCIENCE COLLEGE

EXPERIENTIAL LEARNING

RFNS, Senior Science College Akkalkuwa employs a comprehensive strategy to foster student-centric learning by implementing Experiential Methodologies. The integration of ICT tools and augmented realities enhances content delivery efficiency, creating a dynamic atmosphere conducive to experiential learning within the classrooms.

The institution employs diverse approaches, including Field survey, laboratory sessions, model-making, project work. The experiential learning spectrum extends to encompass practical applications, industrial visits, fieldwork, and initiatives like tree plantation activities to provide hands-on experiences in agriculture and promote environmental awareness. The college facilitates interactions with notable entrepreneurs and industry experts, projects, industrial visits, and fieldwork to enrich the experiential learning process.

Educators facilitate direct experiences and structured reflections to enhance students' knowledge, skills, and values through Experiential learning as:

Exhibitions and Social outreach activities through NSS units of the college, Fieldwork and field visits

Guest Lectures (Online/Offline), Study Tours, Training Sessions, and Industrial Visits, Bridge Course

Remedial Course, Online and Offline Guest Lectures featuring distinguished experts from administrative, industrial, and academic backgrounds. Creation of Posters and PowerPoint Presentations for competitions at the College, intercollegiate, University, State, and National.

Tobacco Free Life (pledge for life)

A program was conducted called Tobacco Free Life (pledge for life) on 11/07/2019. Under the program, students were shown video clips made by doctors at Tata Cancer Hospital, Mumbai. Through video clips, guidance was given on the effects of tobacco, cigarettes and tobacco addiction, various diseases like mouth cancer, throat cancer, lung cancer and other diseases. Tobacco products are the cause of any physical and mental illness in human beings and the end of those diseases is death. The cure for illness is minimal so it is important to stay away from the consumption of tobacco products. Interviews of various cancer patients were shown through video clips at the event. Information about various treatment modalities for cancer was shown. Students concluded that cancer patients should stay away from addictions during interviews. Attendees took oath of tobacco at the event and determined that they would not have any kind of addiction and would not allow anyone around them to get addicted all their life. All colleges and NSS Students from the department took the program to its completion.

The big grass in the back of the court was picked up and the grass was cleared off the road. The work was appreciated by respected judge Mr. Anand D. Karbajne and gave us testimonial.

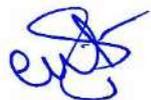

Krushī Jagruti Chalo Gaon Kī Aur workshop

On 26 August 2019, A one day workshop was organized under the head “Krushī Jagruti Chalo Gaon Kī Aur” In this workshop, Shri Rajendra Vasave (Organic Agriculture Trainer) Sir guided the students about the need for organic farming.

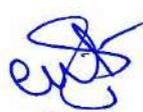

Organic farming has become the need of the hour to prevent premature aging in humans with increasing soil fertility and productivity. Organic farming, which provides grains, vegetables, fruits, is nutritious. So in the old days, drought based farming was done. However, to meet all the nutrient requirements of the body, at that time, humans were in the world for 100 to 125 years. Now you can see that the average life expectancy of the human being is at 3 years. Demonstrated how to prepare organic fertilizers, organic liquid fertilizers and how to use them. The faculty and staff were present at the event.

Hand Sanitizer making During COVID-19 Pandemic

For the first time in Nandurbar district, Dr. Vijay Patil trains children with hand sanitizer. Our RFNS, Senior Science College Akkalkuwa is located in a tribal and remote area of Nandurbar district. of our college. NSS Volunteers of the unit as well as the R.S.O. The program officer, Dr. Vijay Shivaji Patil (Head of the Department of Chemistry) visited this remote village / pada and reached out to the poor and illiterate tribal brothers and gave them basic information about the corona disease. Awareness should be created about the prevention of this disease. Self-made cloth masks, soaps, essential items, hand sanitizers were distributed free of cost by the volunteers. While creating awareness during this national disaster, it was noticed that there is a huge shortage of hand sanitizers in the market. Also, the price of hand sanitizers is not affordable for the common people. How can my poor and tribal brothers and sisters get such expensive hand sanitizers? This thought did not allow me to be cheap, so I realized that it was necessary to find a solution by preserving the spirit of public interest and social commitment. As a chemistry professor myself, I decided to make a hand sanitizer in the lab. It was prepared as per the guidelines of the World Health Organization (WHO) in the chemistry laboratory of the college on **April 8, 2020**. Detailed information about the preparation and principles of hand sanitizer is given on the following link / website of the World Health Organization.

<https://apps.who.int/iris/bitstream/handle/10665/332005/WHO-IER-PSP-2010.5-eng.pdf?ua=1>).

Reading motivation day "Birth day of Dr. A. P. J. Abdul Kalam

" Reading motivation day "Birth day of Dr. A. P. J. Abdul Kalam was celebrated by NSS department as Reading Motivation Day on 15 October 2018.

Chief Guest of the event was Dr. Arun Patil, Student Development Officer V.V. M. S. College of Arts and Commerce, Akkalkuwa. He guided the students on the life work of Dr. A. P. J. Abdul Kalam. The program's president, Principal, Dr. M. G. Raghuvanshi sir convinced the students that research and reading is valuable in their life. The students were given detailed information about why the 'reading inspiration day' is celebrated today and its purpose

National Unity Day

In association with SDO, NSS department celebrate **National Unity Day** on birth anniversary of Sardar Vallabhbhai Patel on **31/10/2018**.

Inauguration of the program was done by Principal Dr. M.G. Raghuvanshi sir by worshipping. On this occasion Dr. M.G. Raghuvanshi Sir inaugurated the work of Sardar Vallabhbhai Patel, the first Home Minister of Independent India and said that, he had merged the 562 institutes to keep India united.

Everyone should take the role of such an unselfish and inspiring person and challenge his young generation to always strive to keep the multilingual nation together. Prof. Dr. Vijay Patil gave the 'National Unity Day Pledge' to the all

Student Development Officer Prof. Manoj Mudholkar Sir, Dr. Mohammad Zuber Shaikh Sir, Prof. Rajeshwar Singh Padvi Sir,

Prof. Dr. Vinod Jogdand Sir, Prof. Ankush Khobragade Sir, Librarian Shri Gotu Suryavanshi Sir as well as non-teaching staff and students were present.

Voter's day

on this occasion Hon. Principal M.G. Raghuwanshi explained the importance of voting to the students and also took the oath of duty of voting

One Day National Webinar (Online) on
"Strategies to Crack Competitive Examinations After Graduation and Post-graduation"

Event Report

Particulars	Details
Name of Department:	IQAC, Botany, Zoology, Chemistry
Name of Event	One Day National Webinar (Online) on "Strategies to Crack Competitive Examinations After Graduation and Post-graduation"
Date of Event	06/05/2022
Theme of Event	The theme of the webinar was "Strategies to Crack Competitive Examinations After Graduation and Post-Graduation." The objective was to provide students and recent graduates with valuable insights, strategies, and resources to effectively prepare for various competitive examinations that can significantly impact their career trajectories. The session aimed to demystify the preparation process, offer practical tips, and inspire participants to approach their exam preparation with confidence and determination.
Description of Event	<p>The National Webinar, jointly organized by the Internal Quality Assurance Cell (I.Q.A.C.) and the R.F.N.S. of Senior Science College Akkalkuwa, in collaboration with the Institute for Advance Studies (IFAS), Pune, commenced with a warm welcome by Principal C. P. Sawant, who served as the chairperson of the event.</p> <p>The program began with the keynote address by Prof. P. P. Mahulikar, Ex. Pro. V.C., KBCNMU, Jalgaon. Prof. Mahulikar provided a profound insight into the significance of competitive exams and the impact they have on shaping a successful career. His motivational words set the tone for the webinar, encouraging students to approach their exam preparation with determination and resilience.</p> <p>The first plenary session was delivered by Mrs. Alisha Habib from IFAS, Pune. Mrs. Habib emphasized the importance of carrier opportunities in life sciences, understanding the exam pattern and syllabus thoroughly. She shared valuable tips on how to break down the preparation process into manageable segments and highlighted the role of consistent practice and revision.</p> <p>In the second plenary session, Mr. Shivam Mishra, also from IFAS, Pune, focused on the psychological aspects of exam preparation in respect to Chemistry subject. She discussed strategies to manage stress and maintain a positive mindset. Mrs. Sikka's session was highly interactive, with participants engaging in discussions about their own challenges and receiving practical advice on overcoming them.</p> <p>The third and final plenary session was conducted by Mr. Rajiv Abhyankar from IFAS, Pune. Mr. Abhyankar elaborated on the importance of time management and smart study techniques. He shared</p>

**One Day National Level Webinar on
"Intellectual Property Rights (IPR) and Career Opportunities"**

Introduction:

Particulars	Details
Name of Department:	IQAC and Chemistry
Name of Event	Intellectual Property Rights (IPR) and Career Opportunities
Date of Event	On Monday, 10/04/2023 at 10:00am
Theme of Event	The One Day National Level Webinar on "Intellectual Property Rights (IPR) and Career Opportunities" aimed to enlighten students, researchers, and academicians on the crucial aspects of intellectual property rights, their importance in the scientific and industrial community, and the myriad of career opportunities they present. By collaborating with Tata Chemicals Limited - Innovation Centre, the event provided a platform for participants to gain insights from industry experts and academicians, fostering a deeper understanding of IPR and its significance in today's competitive landscape.
Description of Event	<p>On April 10, 2023, the Internal Quality Assurance Cell (IQAC) and the Department of Chemistry at RFNS, Senior Science College, Akkalkuwa, in collaboration with Tata Chemicals Limited - Innovation Centre, Pune, Maharashtra, organized a highly informative and engaging One Day National Level Webinar on "Intellectual Property Rights (IPR) and Career Opportunities." The webinar was attended by 98 participants, including students, faculty members, and researchers.</p> <p>The event commenced with a warm welcome by Principal C. P. Sawant, who served as the Event Chairperson. He highlighted the importance of IPR in academia and industry.</p> <p>Appasaheb Shri. Prakash B. Patil, Chairman of the Rural Foundation Nandurbar, also graced the event with their presence and shared their valuable insights. Prof. Rajendra S. Patil, Dean of Science and Technology, and Principal of PSGVPS's Arts, Science & Commerce College, Shahada, also addressed the participants, emphasizing the role of IPR in fostering innovation and entrepreneurship.</p> <p>The first speaker, Shri. Ramesh Kumar Verma, Assistant General Manager of IPR at Tata Chemicals Limited Innovation Centre, Pune, delivered an in-depth presentation on the basics of intellectual property rights, their various forms, and their relevance in research and development. His session provided participants with practical knowledge on how to protect their inventions and leverage IPR for career advancement.</p> <p>Following this, Prof. Dr. Vinod S. Shrivastava, Former Principal and Academic Adviser from Indore, Madhya Pradesh, shared his</p>

	<p>extensive experience and expertise on the subject. He discussed the academic perspective of IPR, the process of filing patents, and the opportunities available for researchers and academicians in the field of intellectual property.</p> <p>The webinar concluded with a Q&A session, where participants actively engaged with the speakers, seeking clarification on various aspects of IPR and exploring potential career paths. The event was highly successful, receiving positive feedback from attendees who appreciated the valuable insights and practical advice provided by the esteemed speakers.</p> <p>The collaborative efforts of IQAC, the Department of Chemistry at RFNS, and Tata Chemicals Limited - Innovation Centre, Pune, ensured the smooth execution of the webinar, making it a memorable and enriching experience for all participants.</p>
